Explanation:

First Steps 4K students qualify for a half-time scholarship if the student attends the school longer than the instructional day (6.5 or 8 hours).

Example: A First Steps provider, located in an urban setting with a B rating, provides an 8-hour instructional day. The provider receives a weekly rate of \$206.85 from First Steps 4K, plus an additional \$125 from the Child Care Scholarship Program. The provider will receive a total of \$331.85 weekly for 25 weeks (180 days) for every child enrolled in their First Steps 4K classroom.

First Steps 4K providers offering a summer school program will receive tuition reimbursement for 32 weeks (220 days).

*Child Care Scholarship Program rates are listed at the maximum rate. Actual rates could vary depending on the provider's charged rate.
