OUR MISSION

Collaborating with other entities, Williamsburg County First Steps helps families and caregivers in our county prepare children for school success by maximizing public and private community resources to deliver, enhance and expand high-quality early childhood services.

Felicia Patrick
Executive Director

As Executive Director, I am honored to share the successes of Williamsburg County First Steps (WCFS) and the partnerships that serve children and families across our county. I was humbled to receive the Youth Empowerment Award from the Williamsburg County NAACP, which I accepted on behalf of our families, Board, staff, volunteers, and partners. A child's development—physical, intellectual, language, emotional, and social—is critical for school readiness. WCFS provides parents with resources and tools to be their child's first and most important teacher. Through programs like Parents as Teachers, Dolly Parton's Imagination Library, Countdown to Kindergarten, 4K, and childcare training and support, we empower families, strengthen communities, and prepare children birth to five for school success. Research shows the first five years are vital for brain development. WCFS remains dedicated to quality, equity, and partnerships to ensure every child in Williamsburg County enters school ready.

April Williams
Board Chair

The Williamsburg County First Steps Partnership Board believes in our vision, which is for every child in Williamsburg County to have the resources and support needed to be fully prepared for success in school. The positive impacts on children and families in our community can be seen through the numerous successes of our county-wide programs, and we are sincerely appreciative of the resources provided through our many collaborative partnerships with community and governmental agencies. As the Williamsburg County First Steps Partnership Board continues to work with other organizations to fulfill our mission of implementing programs and providing essential resources, we remain committed to delivering, enhancing, and expanding high-quality early childhood services. We also want to express our deepest thanks to the Williamsburg County School District for its ongoing support, dedication, and partnership, which have been vital in helping us reach more children and families.
