

2023-2024

ANNUAL REPORT

FIRST STEPS IS HERE

Last year, because of Union County First Steps:

917 children

were directly served in Union County

1,869 parents & caregivers

received services and support to be their child's first and most important teacher

210 educators

participated in First Steps training and professional development, benefitting 500+ children

PROVEN RESULTS

A 2019 study found that children who received First Steps local partnership services were:

74% more likely

to score at the highest level on the Kindergarten Readiness Assessment

34% less likely

to be chronically absent in kindergarten

THE NEED PERSISTS IN UNION COUNTY

First Steps works but we need to expand our reach to ensure that all children are ready.

1,812

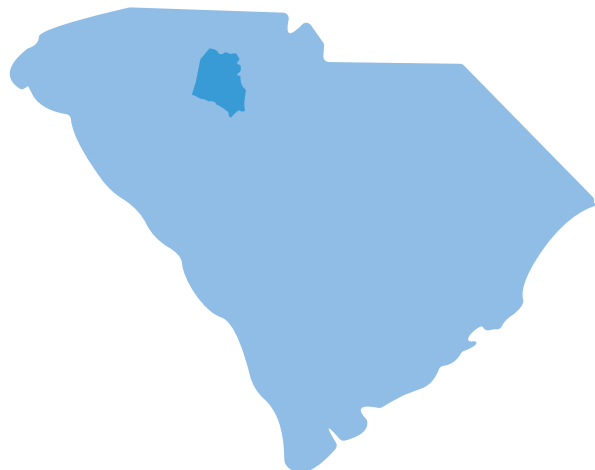

children under 6

60%

of young children live in poverty or low-income households

67%

of kindergarteners are considered "not ready" for school

OUR MISSION

To connect families to the resources they need for their children to be safe, healthy and ready for school.

Nicole Glenn

Executive Director

As we reflect on the past year, I am filled with a deep sense of gratitude and pride. Thanks to your unwavering support and commitment, Union County First Steps has achieved remarkable milestones and made significant strides towards our mission.

This year in our Parents as Teachers program, we earned the Blue-Ribbon Award from the National Parents as Teachers Organization. To earn this award, the affiliate must meet all the essential requirements and complete a comprehensive self-study that demonstrates they have thorough policies and procedures and fulfill at least 80% of the Quality Standards. This success is a testament to the hard work and dedication of our entire team, as well as the invaluable contributions from our supporters and partners. We have faced our share of challenges, but through resilience and innovation, we have turned these obstacles into opportunities for growth.

Our impact this year has been profound. On our Facebook page, we highlight success stories from both past and current families who have participated in our programs. These stories showcase the positive impact of our work and the remarkable journeys of those we serve. It is your belief in our mission that fuels our progress and enables us to make a real difference.

As we look to the future, we are excited to continue to strengthen our collaboration with our local and neighboring county agencies by connecting families to the resources they need for their children to be safe, healthy, and ready for school. With your continued support, we are confident that we will not only meet but exceed our goals, driving even greater positive change. Thank you for being an integral part of our journey!

Serving Union County's children birth through age five.

"Mrs. Shanell and the First Steps program benefits my child Jupiter and I because they gave us information on early learning before daycare or school was even thought of. They gave us resources that I never knew was out there. With the help of the First Steps program, I have been able to place Jupiter in daycare for me to be able to return to work as a sub, and also return to school to better myself for him and his brother. We are very thankful and blessed for this program."

Yakima Jeter
Union County First Steps parent

PROGRAMS

Note: Revenue amounts may show a difference between allocations and revenue based on penalties imposed by the SC First Steps Board of Trustees for non-compliance with organizational policies. The figures provided are based on unaudited financial statements and, as such, are subject to change.

Robin Rodgers

Board Chair

First Steps of Union County continues to play a major role in reaching out and working with our families and community partners to start education early in the lives of our children. This last year has been a very successful one for the program. The program continues to send their staff into the homes to ensure that all young children have a chance to start school ready and prepared to learn more. The First Steps presence in the community is outstanding. It strives to educate the families, businesses, churches, communities, and all that will listen on the importance of making sure a child feels safe, they are healthy and prepared for school. Our Executive Director Nicole Thomas is an awesome young woman that takes her job seriously, and genuinely cares about the wellbeing of children. Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." Our First Steps program strives hard to make sure education is first so that our children can and will succeed in life. Union County is blessed to have our First Steps Program. Continue to mold and shape minds to achieve Greatness!
