For each capacity need category, provide a thorough response to each of the following prompts:

- Describe the need for support and include an adequate justification of how your funding request was estimated
- Describe how having this support will positively impact your partnership's ability to serve young children, their families, and/or child care providers, to meet your comprehensive plan goals, and/or to target priority communities.

There is also a place to upload supporting documentation, which is optional, but highly encouraged.

The screenshot shows a web form with a grey sidebar on the left. The main content area has a white background. It contains three sections: 1) A text prompt: "Describe the need for staff salary support and include an adequate justification of how your funding request was estimated. Upload any optional supporting documentation below. *". Below this is a text input field containing "ABC". 2) A second text prompt: "Describe how having this support for staff salaries will positively impact your partnership's ability to serve young children, their families, and/or child care providers, to meet your comprehensive plan goals, and/or to target priority communities. Provide specific examples and upload any optional supporting documentation below. *". Below this is a text input field with a vertical cursor and a yellow circular loading spinner. 3) An upload section: "Upload any supporting documentation here re: staff salaries. (Optional)". It features a light grey box with an "Upload" button and the text "or drag files here.". Below this is a radio button question: "Are you requesting support for providing staff benefits?" with "Yes" and "No" options, where "No" is selected. A partially visible question "Are you requesting support for physical office space?" is at the bottom.

READY Grants for Infrastructure and Capacity Building (Round 1 FY23)

Thank you for filling out the form. Your response has been recorded.

 [READY Grants for Infrastructure and Capacity Building \(Round 1 FY23\) - 15](#)

In FY2022-23, South Carolina First Steps intends to award up to \$725,000 in READY targeted grants to local First Steps partnerships, renewable for two additional years, to increase the local partnership's capacity and infrastructure to serve children and families in their community. Awards will be made in two rounds in FY2022-23.

Round 1 applications are due September 27, 2022 by 5:00pm for funding consideration by the SC First Steps Board of Trustees at its October 2022 meeting. Up to two-thirds of funding reserved for infrastructure and capacity grants (\$480,000) may be awarded during Round 1, with the remainder reserved for Round 2 awards.

Complete grant guidance for round 1 is located [here](#).

Incomplete applications will not be considered. An application is considered complete once it is submitted ('submit' at the bottom) through this Cognito Form.
