Katie Nichols
Executive Director

I'm honored to share our progress in building a strong foundation for young learners. This year, we expanded high-quality early childhood programs, strengthened caregiver support, and fostered cross-sector collaboration. Through literacy initiatives, parenting workshops, developmental screenings, and child care support, we've reached countless families, each a story of resilience and hope. Guided by research and compassion, we focus on equity, innovation, and community engagement to ensure every child thrives. Thank you to our staff, board, partners, and supporters for fueling our mission. The journey continues, and the best is yet to come.

Jennifer Kelley
Board Chair

This past year has been one of change and opportunity. We've welcomed our new executive director, Katie Nichols, and she has hit the ground running. I see a reinvigorated staff eager for new opportunities and increased community engagement. I'm excited about the new opportunities First Steps is bringing to our community and look forward to continuing to make an impact for the children and families of Kershaw County.
