Rebecca Lyman
Executive Director

Throughout the 2024–2025 program year - a time marked by growth, innovation, and resilience - we are celebrating the collective impact of a community united by one powerful belief: every child deserves a strong start.

This past year has brought both new challenges and new opportunities. In the face of ongoing change, our team remained steadfast, innovative, and committed. Through community partners, dedicated staff, and the unwavering support of families, we've expanded access to high-quality early childhood education, strengthened school readiness, and empowered caregivers with the tools they need to nurture their children's development.

Our programs are not just about preparing children for kindergarten - they are about building a foundation for lifelong success.

Thank you for believing in this work and walking alongside us as we continue to grow, adapt, and lead with purpose.
