Incliment Weather Make-Up Days: January 3, February 17, May 26. First Steps 4K has designated 3 incliment weather days. In case of incliment weather, these days become normal school days, if needed. If no incliment weather make-up days are required, these days will be holidays for First Steps 4K classes. Since there is high likelihood these days will become school days, we encourage you NOT to plan trips or special events on these days. Adjustments are likely to be made during the year.
