

First Steps 4K Teachers Foster Family Engagement

First Steps 4K teachers describe their classrooms as fun, energetic, and loving.

safe funny Engaging family busy welcoming silly Inviting
Energetic loud Fun creative loving classroom
exciting emotional happy energy caring

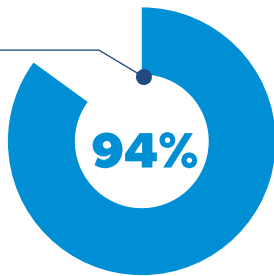

feel very or extremely connected to each child in their class.

Over half of First Steps 4K teachers interact with families frequently and through various communication and outreach strategies.

First Steps 4K teachers

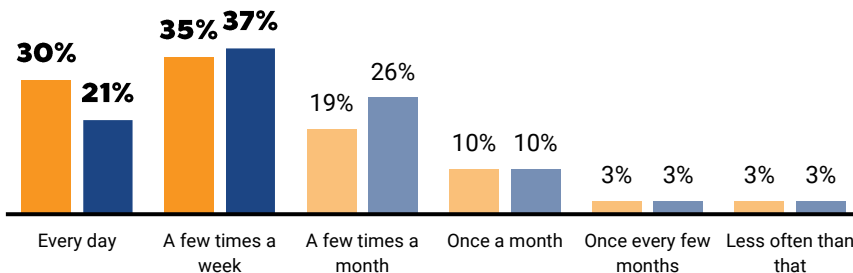

hold at least 2 parent-teacher conferences each year to discuss a child's assessment data and progress.

“The classroom is well connected and we are a little school family. My students rely on me as their safe keeper, and I rely on them as my little family.”

- Lead Teacher

Over half of First Steps 4K teachers interact with families at least weekly regarding their child's progress or ways they can support their 4K child at home.

First Steps 4K for teachers use 3 main strategies to keep families involved in their 4K child's progress.
