

## FIRST STEPS IS HERE

Last year, because of Pickens County First Steps:

**4,246 children**

were directly served in Pickens County

**2,973 parents & caregivers**

received services and support to be their child's first and most important teacher

### THE NEED PERSISTS IN PICKENS COUNTY

First Steps works but we need to expand our reach to ensure that all children are ready.

**7,273**

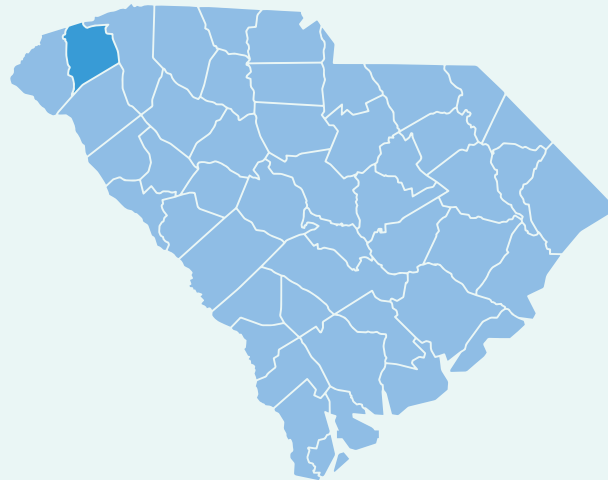

children birth to five

**40%**

of young children live in poverty or low-income households

**60%**

of kindergarteners are considered "not ready" for school

### PROVEN RESULTS

A 2019 study found that children who received First Steps local partnership services were:

**74% more likely**

to score at the highest level on the Kindergarten Readiness Assessment

**34% less likely**

to be chronically absent in kindergarten

## ANNUAL REPORT 2024-2025

# OUR MISSION

We serve as a convener of early childhood champions to coordinate services to measurably improve the early childhood development of all children in Pickens County.

**Amity Buckner**  
Executive Director

Our desire is always to equip caregivers, families and early childhood champions with the tools they need to give every child a great start in life! The strong relationships we have built over time with community partners have allowed us to collaborate in the crucial work of strengthening families, promoting early literacy and creating a culture of school readiness, meeting families where they are with the use of technology, and caring for the whole child.

We are grateful for our board’s commitment to the young learners in Pickens County and their support of meeting parents where they are. Most importantly, we are grateful for the families that allow us to step into their lives and offer support.

**Lyle Jacks**  
Board Chair

As we present the FY25 Annual Report for First Steps Pickens County, I want to express deep gratitude to our executive director, Amity Buckner, and staff, Marian Vischer, for their dedication and generous sharing of their gifts for the youngest members of the county. Pouring into the lives of children during these first five years of development is the most effective way to promote a brighter future for the entire community. I am thankful for the many organizations we partner with and are funded by so that we can continue these important programs. Collaboration with other organizations is key to reaching the most vulnerable by weaving a safety net for their development. Finally, I am grateful for the Board of Directors as they have made some hard decisions related to funding declines and focused funding on serving the community, under the guidance of our executive director. It is an honor to chair this Board and to play a part in the future of Pickens County.

# PROGRAMS

## PARENTING

### Parents as Teachers

Offers research-based curricula that help families raise children to be healthy, safe, learning, and ready for school.

43 children served    885 home visits    33 group meetings and events

### Connected Families

Prevents the unnecessary removal of young children from their homes by providing parents and caregivers with voluntary, coordinated services.

23 children served    18 families served    360 home visits

### Dolly Parton’s Imagination Library

Free, high-quality books mailed to the home of children from birth until age five.

1,269 children served    9,476 books distributed

## EARLY CARE & EDUCATION

### Nurse-Family Partnership

Home visitation for first time mothers, from pregnancy until the child turns two.

22 children served    29 families served    317 home visits

### Reach Out and Read

Free, high-quality books provided by a child’s pediatric provider during doctor’s visits.

2,464 children served    4,928 books distributed

### Family Connects

Strengthening bonds within families of newborns and linking them directly to supportive community resources.

367 children served    2 clinics served

## SCHOOL TRANSITION

### Countdown to Kindergarten

Supports transitions into kindergarten by connecting incoming students, their families, and their teachers in a series of one-on-one sessions during the summer.

30 children served    3 schools served    179 home/school visits

### Countdown to 4K

Supports transitions into pre-kindergarten by connecting incoming students, their families, and their teachers in a series of one-on-one sessions during the summer.

28 children served    2 schools served    166 home/school visits
