

## Countdown to Kindergarten Family Satisfaction Survey Summer 2021

### Survey Administration

The Countdown to Kindergarten Family Satisfaction Survey was administered online to parents/caregivers, of which 444 responded, from June 16th to September 14th, 2021. These families were from 22 counties across the state.

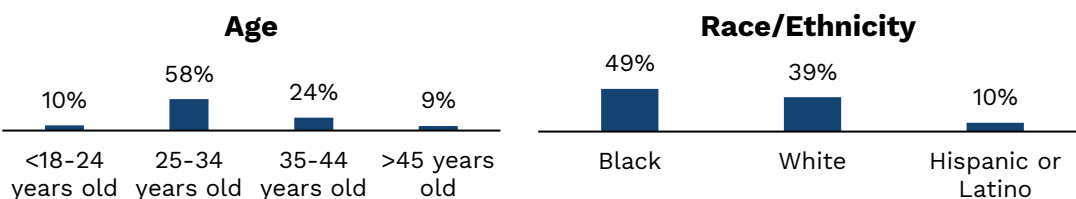

**91%**

would recommend Countdown to Kindergarten to a friend or family member

### Respondent Demographics

Most survey respondents were 25-34 years old and identified as Black or White.

I loved the bond we were able to create with our upcoming kindergarten teacher! I fully believe that this bond helped our daughter transition into kindergarten without any separation anxiety.

**Figure 1. Demographics of Survey Respondents.** Missing age for 11 respondents and race/ethnicity for 19 respondents. Not all response options displayed for race/ethnicity, so proportions do not add up to 100%.

### Countdown to Kindergarten Experience
