

First Steps 4K Providers Provide Curriculum Driven Instruction to Children in South Carolina

First Steps 4K teachers use Conscious Discipline® strategies to create a calm classroom.

Nearly half of First Steps 4K teachers feel very confident in their knowledge and implementation of Conscious Discipline® in their classroom.

First Steps 4K teachers use many Conscious Discipline® strategies daily in their classroom.

97%
breathing techniques

96%
Greetings

95%
"I love you" ritual

94%
Wish well

Nearly 2/3 of First Steps 4K providers had an in-person orientation for the 2021-2022 school year.

Orientation provides families with information about the program philosophy, school calendar, and discipline policy.

64%
held an in-person orientation for families.

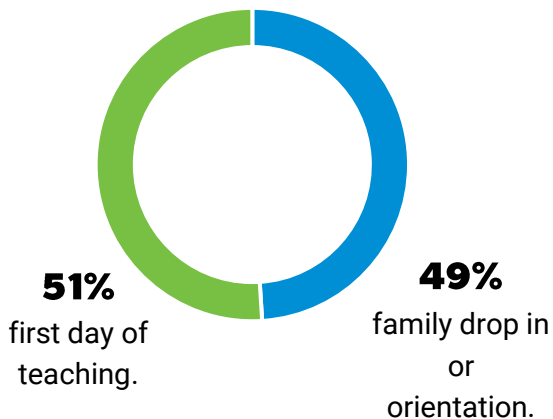

26%
held a hybrid orientation for families.

10%
held a virtual orientation for families.

First Steps 4K teachers use the first day of school to either teach or hold a family orientation.

First Steps 4K teachers

use Creative Curriculum by Teaching Strategies® in their classroom.
