

FIRST STEPS IS HERE

Last year, because of Fairfield County First Steps:

556 children

were directly served in Fairfield County

326 parents & caregivers

received services and support to be their child's first and most important teacher

37 educators

participated in First Steps training and professional development, benefitting 500+ children

THE NEED PERSISTS IN FAIRFIELD COUNTY

First Steps works but we need to expand our reach to ensure that all children are ready.

1,184

children birth to five

59%

of young children live in poverty or low-income households

51%

of kindergarteners are considered "not ready" for school

PROVEN RESULTS

A 2019 study found that children who received First Steps local partnership services were:

74% more likely

to score at the highest level on the Kindergarten Readiness Assessment

34% less likely

to be chronically absent in kindergarten

“

Thank you to all of the wonderful people who helped me to get a new place to live for me and my three children. I appreciate all of you so much.

ANNUAL REPORT 2024-2025

OUR MISSION

The Partnership Board will assist the communities in Fairfield County in collaborating and sharing resources to optimize school readiness for all children by helping those communities to:

- 1. Recognize the role and responsibilities families have as the first and most important teacher of children.
- 2. Motivate individuals and communities to help stabilize, strengthen, and empower families. (This will enhance the social skills, emotional well-being, health, communication skills and general knowledge which are essential in promoting readiness of young children to succeed in school.)
- 3. Enable the communities to successfully accomplish tasks through the coordination of personnel, education, and financial resources.

Pattie Wilkes
Executive Director

I am happy to share some exciting results for our 2024 – 2025 year. Our Fairfield County First Steps programs closed out another year of success! Thanks to the work of our board, employees and community we have:

- Distributed over 4000 books
- Met with 42 families, providing a minimum of two home visits per month, through Parents as Teachers
- Provided childcare training to 32 teachers in six centers
- Read to over 400 children through our 1000 Books before Kindergarten program
- Served 35 families in the Parent Café program
- Made over 140 home visits in our Countdown to Kindergarten program
- Provided First Steps information to over 80 additional families as a part of community events.

Our success is not just about numbers—it’s about stories of progress, confidence, and hope. Every step taken is a reminder that lasting change starts with the very first meeting. We are proud to walk this journey alongside our clients.

With your continued support, we will keep expanding the reach.

PROGRAMS

PARENTING

Parents as Teachers
Offers research-based curricula that help families raise children to be healthy, safe, learning, and ready for school.

42

children served

13

group meetings and events
