

Why You Should Join the First Steps 4K Family

Through regular coaching visits, First Steps 4K coaches develop connections with First Steps 4K teachers and directors.

42% of teachers and 51% of directors interact with their First Steps 4K coach at least twice per month.

First Steps 4K providers

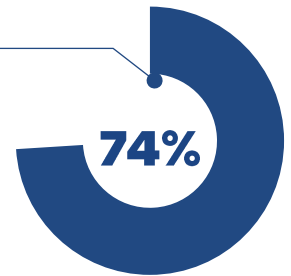

feel their Coach has met their needs very or extremely well.

ALWAYS treated with respect by their Coach.

First Steps 4K providers

feel very or extremely connected to their Coach.

Professional development, training opportunities, and coaching are the secrets ingredients to success among First Steps 4K providers.

The most valuable parts of First Steps 4K for teachers are...

- #1**
their relationship with their Coach
- #2**
what they learn during coaching sessions
- #3**
First Steps 4K Academy

“First Steps 4K is good at making sure that every child is prepared for kindergarten. They work hard to make sure that the teachers are heard as well. They go above and beyond to ensure that teachers and students have all materials and knowledge they need to succeed.”

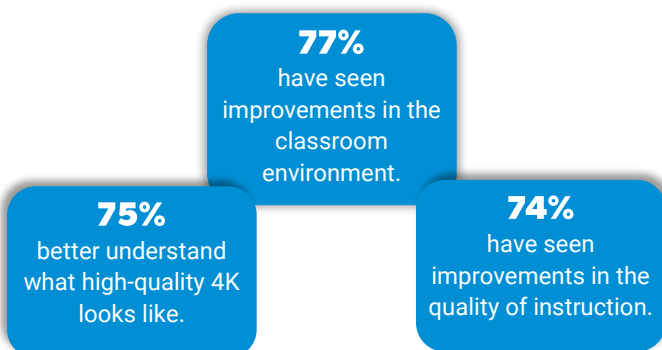

- Lead Teacher

The most valuable parts of First Steps 4K for directors are...

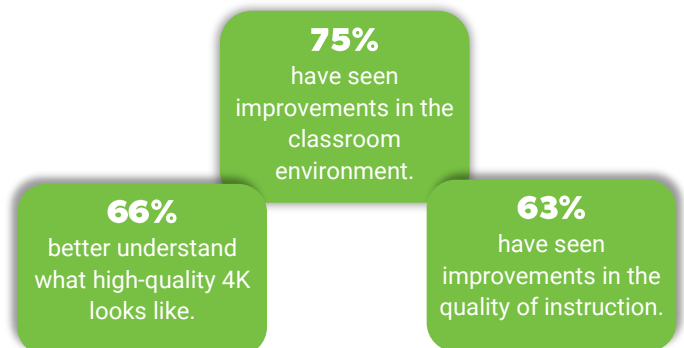

- #1**
First Steps 4K Academy
- #2**
their relationship with their Coach
- #3**
the quality of training provided

Because of First Steps 4K, providers have seen improvements in the quality of their classrooms.
